## **Contract for working with Becky Walsh**

The purpose of this contract is to set out expectations during our time working together.

To give you an overview of our session.

We have an hour to an hour and a half together depending on which session you booked. I'll let you know when we're getting close to the end of the appointment.

Appointments are recorded upon request and the audio recording will be sent to you and deleted on my end within 48 hours. This is a free service and can't be guaranteed in case of technical issues.

I pay for a very good wifi connection. However, if we run into technical issues on my end, I'll do my best to resolve them at the time or change them to a phone conversation. In this case, we may run over the appointment time to make up for the time lost.

If you're ever late for an appointment will use the rest of the remaining time. If you need to cancel the session please do so within 24 hours. Otherwise, you may be charged.

The sessions are confidential however if I feel there is a risk of harm to yourself or others, especially under child protection or terrorism. I do have a duty to report it.

If you have any pronouns or persevered names you would like to be known as please let me know at the start of the session.

If I see you outside of the appointment I won't acknowledge you unless you acknowledge me first. That's part of our confidentiality agreement.

By making a payment and booking for the appointment it is taken that you agree with the above contract.

I look forward to working with you.

Becky Walsh
